Alison is 20 years old and comes from Nottingham. She's been modelling for eight years (teenage fashion, etc), which explains why she's such a joy to work with as a professional. She was a bit stand-offish ("I like to concentrate when I'm working") but became instantly warm and friendly when the shoot was over.

She's only 5'4", but looks much taller because she's so beautifully proportioned. 34B-22-34 and eat your heart out. The Editor actually groined with barely restrained lust when he first saw her – poor old thing. (NB groin *groin, v.i.* *a deep felt groan . . .)*

Alas, his geriatric charm failed to win the fair lady and no, she didn't want to share his taxi to the station — she'd rather walk. "Who was that pisshead?" she remarked, after he'd poured himself into the cab. (NB pisshead *piss'ed. n.* ***the Editor of Knave) Quotations from The Concise Kilburn Dictionary.***

KNAVE MAGAZINE

Q. What is this girl doing? Is she . . .

1) A disappointed Labour voter?

2) A disappointed launderette user?

3) A disappointed Arsenal supporter?

A. None of the above! She's a *satisfied* reader, tearing off to her local newsagent's for a copy of next month's *Knave*. It's packed with beautiful girls (like Alison here) and appalling jokes (like the above). And all for £1.10 — how could you resist?

Aurora

. . . which is a fancy way of saying 'Dawn' ● She's one of Mr. Hicks' latest discoveries, a young lady of Irish extraction but born and bred in the State of California — and who prefers a state of advanced nudity ● She's 18 years old, 35-24-36 and clearly a young lady of discerning taste — why else would she wear stockings with designer ladders? And if you're wondering about the phone . . . that's so she can blow down the mouthpiece and hear herself coming ● It's called Auroral Sex ●

Helle

PHOTOGRAPHED BY GERTH SERNELIN

Those amongst you who remember such things, will immediately remember *Helle* from our 16/7 issue. The Secretarial Tutor from the Danish Hardcore Secretarial School — right? Wrong — we were pulling your plonker. She's really a professional model from Sweden. Bet that astonished you!

Helle is 22 years old, comes from Gothenberg (which, for reasons known only to the Swedes, is pronounced 'Yuttaborry') and has a delicious 36-23-36 figure. She's never been near a Secretarial course in her life, went straight from school into modelling and intends to marry someone very rich, very soon. So there!

Sarah Farley

This is Sarah, she's nice! She's 18 years old, 35B-23-34, 5'6" tall and comes from Stoke-on-Trent • She was 'between jobs' when we met her • Hope she's got a new job by now • Pity she's not looking for a new boyfriend •

PHOTOGRAPHED BY JACK ROGERS

Naturally she was extremely nervous to begin with • But she got the hang of it very quickly and thoroughly enjoyed herself — nearly as much as we did • And she'd love to come back for another shoot • What do you think, chaps . . .?
